## Sponsorship Program Agreement

Thank you for your interest in being a Sponsor (one-time or monthly) of The Global Center for Christ Consciousness—a center dedicated to awakening the Inner Christ in all. Our Center, and all of our projects, are built and maintained with a spirit of collaboration, which is why we so appreciate the support of our attendees.

Please look over the following list of options you might choose to support, followed by the second page with details for making your payment AND the details of what we would like to give you in return for your kindness.

This sponsorship supports the purchase of the Sacred Beads that we gift our first-time guests every Sunday. Contribution in this area extends our love to all our newcomers!
- Hospitality: Sponsorship Value: \$50-\$500 per month***  
This sponsorship supports our office supplies, creating, printing, and copying of bulletins, calendars, event flyers, and all other promotional materials. It also assists us in purchasing fresh flowers, candles, cards, tissues, and support to folks in need.
- Special Events: Sponsorship Value: \$50-\$500 per month***  
This sponsorship supports the purchase of supplies for our special events, parties, festivals, and gatherings.
- Special Guests/Guest Musicians: Sponsorship Value \$50-\$500 per month***

- Staff & Volunteer Appreciation: Sponsorship Value \$50-\$500 per month***  
Due to popular demand we created a Sponsorship Program to help support our Staff and Volunteers. This Sponsorship provides gifts and fills various needs of those who are the most helpful and supportive at The Global Center.
- Landscape: Sponsorship Value: \$50-\$500 per month***  
The beauty of The Global Center's grounds (including the gardens, patio area, and labyrinth) is reliant on the generosity of the labor of volunteers and the funds donated toward this program.
- Renovations: Sponsorship Value: \$50-\$500 per month***  
Support in the Renovations category is much needed, as it supports the visual upgrades on our buildings, as well as keeping the buildings in good working order with repairs, maintenance, beautification, improvements, and so forth...
